International Seminar Report:

WELCOME AND FELICITATION:

The program began with honoring the distinguished guest Ms. Varsha Sharma (Technology Consultant, Singapore) with presentation of mementoes and fresh flowers, followed by a welcome address by Dr Hemant Dhabhai, Director, AITS.

SESSION:

Ms. Varsha Sharma who is technology consultant, Singapore. For her keynote address, She spoke on her experience on Business and IT Management. In her address, she started from four important elements necessary for knowledge and a confirmation of the best practices, strategic and practical considerations in the field of business and personal use of Information Technology.

This seminar was ideal for emerging engineers, managers and team leaders. Provided an excellent appreciation of the key aspects involved in managing the information and communication technology resource in today's global scenario.

VOTE OF THANKS:

Ms. Sangeeta Sharma extended a Vote of thanks on behalf of the Aravali family to our speaker and audience. The International Seminar was widely appreciated by the audience.
